SCHOOL NOTES.

Judge Heckert has our thanks for a generous contribution of books to the library.

The library is open to the public on Thursday afternoons. Those who desire to draw books should get them at that time.

Merrill Fuller, who has served as one of the librarians for the past two years, has resigned on account of pressure of other work, and Deane Harrison has been appointed to the vacancy.

Mrs. Ulness of Bergen, Norway, accompanied by Mrs. Burt of this place, was present at chapel exercises last Monday morning. Mrs. Ulness formerly attended school here, but has been a resident of Norway for the past 20 years. Her remarks were very interesting.

What an excellent fair we enjoyed last week and what superb weather! The school won its share of premiums. It might have done better yet if there had been longer time in which to prepare. As it was the manual training work by Fred Lathshaw won first; the patchwork by Esther Buckley, second; the baking by the eighth grade girls, two firsts; the cake by Alice Scovel, first; the fancy work by Marian Pierce, second; the essay by Percy Wheeler first.

Several of the grades have been taken out by their teachers lately for the purpose of enjoying the beauties of nature. An excursion like this now and then helps the teacher to create in the minds of her pupils an appreciation and love for things about them; to feel with keener sense the harmony of creation; to hold in the future the happy remembrance of such trips in childhood days; to look with hopefulness and cheerfulness upon the changes they observe in nature about them—not to have their lives filled with sadness, dread and sorrow because the flowers droop or the leaves fall. We believe it is the duty of parents and teachers to strive to create in the minds of the pupils bright, happy, hopeful conceptions of the phenomena about them.

Mrs. Lillian Burt Ulness, a former resident of Gliddenburg and a pupil of the Paw Paw high school twenty years ago, is back from Norway visiting her old friends. Mrs. Ulness has been serving with her husband as a missionary in Norway, Mr. Ulness being the only preacher many of those Lapps and Finns ever see among their iron mines.

She made a brief address to the Sunday school of the Methodist church last Sunday morning, relating several inspiring incidents of that far away northern country. At six o'clock she addressed the Epworth league at length, taking a large number of young people by mental excursion, to that charming land and interesting people.

Mrs. Ulness will speak in Gliddenburg next Sunday morning and evening on "What we are doing in Norway."
